SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

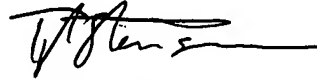

Sir:

In accordance with 37 CFR 1.56, Applicants wish to call the Examiner's attention to the references cited on the attached form PTO-1449, which references were first cited in a communication from a foreign patent office in a counterpart foreign application. Although these references have been brought to the Examiner's attention previously, they were not considered as the Examiner did not find copies of them in the file. However, these references should have been forwarded by the International Bureau when this application entered the U.S. national phase. Applicants enclose herewith a copy of all the foreign references and abstracts.

The Examiner is requested to consider the foregoing information in relation to this application and indicate that each reference was considered by returning a copy of the initialed PTO 1449 form.

Although Applicants do not believe a fee is required, the Commissioner is hereby authorized to charge any fees that may be required to Deposit Account No. 03-1935.
